REPUBLICAN TICKET.

FOR PRESIDENT,
WILLIAM H. TAFT,
of Ohio.

FOR VICE-PRESIDENT,
JAMES S. SHERMAN,
of New York.

FOR CONGRESS,
Hon. JOSEPH B. BENNETT.

If you're down on your luck and feel that everything is dead wrong, be thankful to the Japs. They have deferred that Exposition till 1917.—Courier-Journal.

The latest estimate in the wheat crop indicates an increase of about 147,000,000 bushels over last year. The reports of the wheat crop in England, France and Russia are unfavorable.

AND PRESS KIMBALL will have to walk the plank in the Ashland-Henry Clay District. HENRY CLAY, JOE BLACKBURN and W. C. P. BRECKINRIDGE! And then SOUTH TRIMBLE, W. P. KIMBALL and CAMPBELL CANTRILL. Ugh!

A GENTLEMAN who has the money, and some \$30,000 of it, authorizes THE PUBLIC LEDGER to say that he will put up \$200 or more as follows:

\$50 that Taft carries Indiana.
\$50 that Taft carries Ohio.
\$50 that Taft is elected, and
\$50 that he wins all three of the above bets.

This is no Republican bluff, but a bona fide offer just to keep a little surplus cash in circulation which now lies idle in Bank.

THERE are various and several kinds of undesirable trusts, but trusting to luck is about the extreme limit.

THE Kansas City Star has solved the paper question by manufacturing its own print paper. But we can't all do that.

WHAT the wild waves are saying at Atlantic City might give Governor FORT a burning of the left ear.—New York World.

THERE are 1,350 men of both colors in the Kentucky Penitentiary at Frankfort and only 63 women, and only 3 of the women are white.

LAST year New York City spent \$33,000,000 on its Public Schools, Chicago \$23,000,000, Boston more than \$10,000,000, Philadelphia a little more than \$6,000,000.

THE State Treasury of old Kentucky is practically busted, and its depleted condition cannot be charged to the present Republican Administration, but to the Beckham regime and the "extravagance" of the last General Assembly.

MARSE WATTERSON appeals to the Negro to vote the Democratic ticket "and thus become a factor in politics." The 5,600 Negroes who hold down good Republican jobs at Washington are already considerable factors in politics, even if the Washington Negro, along with his white brother, gets no vote in the District of Columbia.

AN EASY FALL.

I am a woman. I know woman's sufferings. I have found the cure. I will mail, free of any charge, my home treatment with full instructions to any sufferer from woman's ailments. I want to tell all women about this cure—you, my reader, for yourself, your daughter, your mother, or your sister. I want to tell you how to cure yourselves at home without the help of a doctor. Men cannot understand women's sufferings. What we women know from experience, we know better than any doctor. I know that my home treatment is a safe and sure cure for Leucorrhoea or White Discharge, Ulceration, Displacement or Falling of the Womb, Profuse, Scanty or Painful Periods, Uterine or Ovarian Tumors or Growths; also pains in the head, back and bowels, bearing down feelings, nervousness, creeping feeling up the spine, melancholy, desire to cry, hot flashes, weariness, kidney and bladder troubles where caused by weaknesses peculiar to our sex. I want to send you a complete ten day's treatment entirely free to prove to you that you can cure yourself at home, easily, quickly and surely. Remember, that it will cost you nothing to give the treatment for your case, entirely free, in plain wrapper, by return mail. I will also send you free of cost, my book—"WOMAN'S OWN MEDICAL ADVISER" with explanatory illustrations showing why women suffer, and how they can easily cure themselves at home. Every woman should have it, and learn to think for herself. Then when the doctor says—"You must have an operation," you can decide for yourself. Thousands of women have cured themselves with my home remedy. It cures all, old or young. To Mothers of Daughters, I will explain a simple home treatment which speedily and effectually cures Leucorrhoea, Green Sickness and Painful or Irregular Menstruation in Young Ladies. Plumpness and health always results from its use. Wherever you live, I can refer you to ladies of your own locality who know and will gladly tell any sufferer that this Home Treatment really cures all women's diseases, and makes women well, strong, plump and robust. Just send me your address, and the free ten day's treatment is yours, also the book. Write today, as you may not see this offer again. Address: MRS. M. SUMMERS, Box H South Bend, Ind., U. S. A.

Stomach Muscles In Old Age

How Old People May Retain or Restore Good Health

Usually the bowels are not so active in middle or advanced years as in youth. Just as the eyes grow dim, the skin wrinkles, the hair gray, the muscles flabby, so do the internal organs show their age. If we could but see them. However we sometimes find a person whose age is near the meted three-score and ten and yet his step is sprightly, his eye keen, his flesh firm, his appetite good and his bowels regular, and upon close questioning you will find a life's history of right-living, good food, keen appetite, perfect digestion and regular bowel action.

Regular bowels and proper digestion of the food we eat is absolutely necessary to the enjoyment of good health by old or young. If the readers of this article are interested, we are glad to tell them how they can restore good health and prolong their lives.

Step into a drug store and purchase a bottle of Dr. Caldwell's Syrup Pepsin. It will cleanse the bowels of any waste matter that has clogged them up and restore to them strength and nerve force for regular natural daily action. It aids digestion by stimulating the stomach and digestive glands to a proper and sufficient secretion of the fluids necessary to perfect digestion. It acts on the liver and kidneys in a mild, quiet yet effective manner. Rev. A. J. Fletcher, of Rutherford, Tenn., is 80 years old, and it cured him of 60 years of dyspepsia. W. W. Sterling, Sioux City, Ia., says: "Dr. Caldwell's Syrup Pepsin is the best medicine I ever used and I am 88 years old." E. F. Thompson, Shenandoah, Ia., says: "I suffered 15 years with dyspepsia and it cured me." It is certain and effective in the most obstinate old cases, and yet mild and safe for the most delicate woman or child. All druggists sell it at 50c and \$1.00 per bottle. Pepsin Syrup Co., 304 Caldwell Bldg., Monticello, Ill., is glad to send a free sample to any one who has never used it and will give it a fair trial.

PIMPLES

"I tried all kinds of blood remedies which failed to do me any good but I have found the right thing at last. My face was full of pimples and black heads. After taking Cascarets they all left. I am continuing the use of them and recommending them to my friends. I feel fine when I rise in the morning. Hope to have a chance to recommend Cascarets."

ANNUAL SALE, TEN MILLION BOXES

Mr. and Mrs. R. M. Lindsay have taken up their residence in their new and pretty home in East Third street.

Editor Powling chaperoned a big delegation down Thursday from Carlisle to "take in" the Carnival, and the genial "Sheep" made everybody happy within a radius of ten blocks. The Hon. J. F. Wycoff, the silver-tongued orator of old Nicholas, came along to attend as one of the advertised speakers of the Equity meeting at Beechwood. Mr. Wycoff's speech was much complimented by the vast crowd which packed the big Auditorium.

K. OF P. CARNIVAL

Another Big Crowd Out Last Night—Parade Today at 1 P. M.

There were 5,000 people in attendance at the K. of P. Carnival at Beechwood Park yesterday afternoon and evening.

There were two balloon ascensions in the afternoon, the first ascent being a fluke; the second attempt was a very fine flight. As usual "the daring aviator" got out of his airship via the parachute, after a short go and his big balloon alighted in the waters of the Ohio.

There was a big squabble over the fishing of the collapsed bag from the water.

Some small boys caught it, towed it to shore and demanded "salvage." The matter was finally adjusted to the satisfaction of all.

The parade today will start at 1 o'clock and Captain Dresel of the Uniform Rank desires all members of his Company to report promptly at 12 o'clock, noon.

Tonight the big show will close with everybody satisfied.

A light shower this morning was little, but acceptable.

All the Banks in this city will be closed Monday, observing Labor Day.

Under the recent count the population of China at the end of 1907, or, as we count, January 1st, 1908, reached the astonishing number of 438,214,000.

GOT HIS HAIR BACK.

Was Perfectly Bald When He Started to Use Newbro's Herpicide.

Frederick Manuell, Maryland block, Butte, Montana, bought a bottle of Newbro's Herpicide, April 6, '09, and began to use it for entire baldness. The hair follicles in his scalp were not dead and in 20 days he had hair all over his head. On July 2 he writes, "and today my hair is as thick and luxuriant as any one could wish." Newbro's Herpicide works on an old principle and with a new discovery—destroy the cause and you remove the effect. Herpicide destroys the germ that causes dandruff, falling hair, and finally baldness, so that with the cause gone the effect cannot remain. Stops falling hair at once and a new growth starts. Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich. TWO SIZES—50c. and \$1.00.

Cured without Operation. Here is Positive Sworn Proof

STATE OF MINNESOTA, ss.
COUNTY OF STEELE.
I, Richard J. Ahrens, of Owatonna, Minn., being first duly sworn, do say that I am the person named in and who subscribed the following statement and the same is true of my own knowledge in every particular: "I had severe pains in my right side, just above the appendix. I went to the doctor and he pronounced my case appendicitis and advised an operation. Instead I went to Zamboni Bros. drug store and bought a bottle of Adler-i-ka Treatment. After taking it the result was indeed wonderful. The pains stopped and I felt like a new man. I heartily recommend Adler-i-ka Treatment to anyone troubled with appendicitis as I know it has cured me."

(Signed) RICHARD J. AHRENS.
State Seal Subscribed and sworn to before me June 29, 1905.
J. NEWSALT, Notary Public, Steele County.

Adler-i-ka not only cures Appendicitis, but ONE DOSE A WEEK WILL POSITIVELY PREVENT THIS TREACHEROUS DISEASE. We are giving away a very valuable, fully illustrated book, showing pictures of the appendix, and describing how appendicitis is caused, how it can be treated medically and how to guard against it. Everyone should read this book and be prepared in time.

J. Pierpont Morgan and other notables returned yesterday from their vacation in Europe.

Frederick C. Hewitt left \$4,000,000 to the New York Metropolitan Museum of Art and less than \$500,000 to relatives.

The First District School Building is now ready for occupancy. This is a modern and up-to-date building, one of which the citizens of Maysville may well be proud. We cordially invite the public to come and inspect it Monday, September 7th, from 8 a. m. to 4 p. m. Yours truly,

TO REFORM SCHOOL

Go Four Incurrigibles Who Have Operated at Maysville

Times-Star.
Detectives Salters and Sanford left this morning for the State Reform School at Greendale, Ky., with John Taulbee, Theodore Parks, Edward Fischer and Lawrence Dawery. Taulbee is the lad who, according to the police, was the companion of the Northcutt boys on raids in various parts of Northern Kentucky. He was found in Middletown, O., several weeks ago and sentenced to the Reformatory by Judge Stephens of the Juvenile Court. Parks has been the principal in numerous exploits, which brought him under police surveillance. Fischer and Dawery were committed to the Reformatory for demolishing the entire interior of a passenger coach at Erlanger, Ky. Nothing in the car was undisturbed and the Company suffered considerable damage. Parks escaped from the Reformatory on one occasion.

Several of these boys were arrested at Maysville a few months ago for robbery and other crimes.

This is the season of straw hats and overcoats.

Governor Hanley may call an extra session of the Indiana Legislature to suppress raids by night riders.

CONFIRMED PROOF.

Residents of Maysville Cannot Doubt What Has Been Twice Proved.

In gratitude for complete relief from aches and pains of bad backs—from distressing kidney ills—thousands have publicly recommended Doan's Kidney Pills. Residents of Maysville who so testified years ago now say their cures were permanent. This testimony doubly proves the worth of Doan's Kidney Pills to Maysville kidney sufferers.

Mrs. John T. Wallingford, 108 Commerce street, Maysville, Ky., says:
"Doan's Kidney Pills have been used in our family with most beneficial results, and it gives me pleasure to corroborate the testimonial given in their favor some years ago by Mr. Wallingford. As stated then, he suffered a great deal from backache, failing to obtain relief from any of the remedies which he used. Hearing Doan's Kidney Pills highly spoken of, he obtained a box from J. C. Wood & Son's Drugstore, and had only taken them a short time when a complete cure was effected. The fact that he has remained free from any recurrence of the trouble is sufficient evidence of the sterling value of this remedy. I have also used Doan's Kidney Pills and they have always afforded me the same relief as they did my husband."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.
